User Stories

As a user, I want to upload an image of a plant leaf to detect diseases.

As a user, I want to receive detailed information about the detected plant disease.

As a user, I want to view prescriptions and suggested supplements for the detected disease.

As a user, I want to know the various cures and preventive measures for the detected disease.

As a user, I want to see the stages of the detected disease for better understanding.

As a user, I want to check the current weather conditions in my area.

As a user, I want to view detailed weather reports and forecasts for agriculture.

As a user, I want to check soil type and recommended plantations for my geographical area.

As a user, I want information about suitable crops and growth conditions for my area.

As a user, I want to see the latest news related to agriculture and farming practices.

As a user, I want to receive notifications or updates about my uploaded plant images.

As a user, I want to explore and learn about new farming technologies and practices.
